

## Save-the-Date Fifth Annual Bench to Bedside Symposium

**Friday, March 23, 2018**  
8 a.m.– 5 p.m.

Arnold and Mabel Beckman Center  
100 Academy Drive, Irvine, CA 92617

Registration information coming soon

**You're invited to attend a free one-day symposium focusing on exciting advances in translational research.** The event will bring together all those who are interested in applying innovative methodologies to human diseases — from undergraduate students to full-time professors, and experts in private industry.

### Poster presentations:

Posters will be presented throughout the day to encourage interactions between post-doctoral fellows, scientists and industry experts. The top three outstanding post-doctoral posters will be awarded:

**\$500 First Prize**

**\$300 Second Prize**

**\$200 Third Prize**

Please join us to experience this unique environment where like-minded individuals can foster project collaborations and meet extraordinary researchers and clinicians. If you are interested in eye research, we encourage you to participate.

Breakfast and lunch will be provided. Registration fees have been waived.

Topic and speaker information coming soon.
